

Gastozol

Relieves Peptic Ulcer & Hyperacidity

Description:

Gastozol Glycyrrhiza glabra, Cochiospermum religiosum, Pistacia lentiscus, Hydrated Magnesium Silicate etc. are prepared with the combination of natural medicinal ingredients. It cures peptic ulcer and hyperacidity. It has been proven in clinical and experimental tests that glycyrrhizin and glycyrrhizic acid in Glycyrrhiza glabra inhibit the action of ulcer-causing 15-Hydroxy-prostaglandin dehydrogenase and prostaglandin reeducates enzymes and protect the mucous membrane of the stomach by increasing the secretion of prostaglandin-E & F, enzymes that help heal ulcers or wounds in the stomach. Glycyrrhiza glabra stimulates the secretion of mucin from the mucous membrane of the stomach, strengthens the epithelial cells of the stomach and cures gastric ulcers and peptic ulcers. It acts against various bacteria and virus that cause stomach ulcers. Rumi Mastagiacts as a stomach tonic, digestive, physical and mental energy enhancer. Hydrated magnesium silicate acts as a factor replacement for antacid. It is a non-absorbable antacid whose main function is to absorb hydrochloric acid to act as a neutralizing and astringent agent. Lapis Lazuli relieves depression and inhibits the secretion of hydrochloric acid. Gastozol acts as a laxative, anti-inflammatory.

Composition:

Each Capsule Contains-

<i>Glycyrrhiza glabra</i>	307.67 mg
<i>Cochlospermum religiosum</i>	102.50 mg
<i>Pistacia lentiscus</i>	51.50 mg
Silicate of alumina and iron oxide	17.00 mg
<i>Hydrated magnesium silicate</i>	8.33 mg
<i>Lapis lazuli</i>	6.50 mg
Bezoar stone	6.50 mg

And other ingredients

Ref: Sufoof Jurhin (BNUF), Unani Medicine

Indication:

Hyperacidity, Gastric Ulcer, Duodenal Ulcer.

Dosage:

2-3 capsules 3 times daily before meal or as Directed by the registered physician.

Contraindication:

There is no Contraindication.

Side effects:

No significant side effect has been observed in therapeutic doses.

Caution:

Keep all medicine out of reach of children.

Storage:

Keep away from light, in a cool and dry place.

Presentation:

5×10 & 10×10 Alu-Alu Blister box.
