

Majoon Mughalliz

Relieves Arthralg Paralysis & Arthri

Description:

The ingredients used in Mugalli thicken the semen and increase the semen. It removes the fluidity of the semen and sperm. It prevents premature ejaculation, increases the durability of intercourse and prevents the failure of the penis. Mugalli removes sexual impotence and brings complete youth. It increases the number of sperm. Excessive sleepiness and dilution of semen can lead to physical and mental weakness.. Thin semen is the main cause of premature ejaculation. Mugalli removes the above problems, thickens the semen and increases the amount of semen.
