

# Zincsol

Immunity & Memoery Enhancer

## Description:

Zincsol is a syrup with a tolerable dose of zinc, which is an anti-inflammatory, cognitive enhancer and mental enhancer. Zincsol helps in normal growth in children, during pregnancy and puberty. Zincsol regulates cell division, protein synthesis and hormonal balance. Zincsol syrup prevents normal growth retardation. It increases immunity. Zincsol syrup eliminates intellectual disability, memory loss and bone weakness. Zincsol syrup is used as an antidote to the symptoms of zinc deficiency. Zinc is a very essential mineral in the body which is important for the nutrition of skin, bones, hair, nails and eyes.
