

Gonorex

Remedy for Gonorrhoea

Description :

Gonorrhoea is caused by bacterium Neisseria. These bacteria are passed from one person to another during sexual contact including oral, anal and or vaginal intercourse. Two major volatile components caryophyllene & eugenol found in *Pinus longifolia* acts as an antibacterial agent by disrupting the cellular membrane of bacteria. *Pinctada margaritifera* also acts as an antibiotic by preventing bacterial cells from replicating DNA. *Primula vulgaris* exhibits antibiotic effects heterostyly. Containing *Pinus longifolia*, *Pinctada margaritifera*, *Primula vulgaris* combination Gonrex cures new and old Gonorrhoea, burning sensation of urination, Urinary tract infection(U.T.I), pus before and after urination and cures Leucorrhoea.

Composition :

Each tablet contains

<i>Pinus longifolia</i>	166.67 mg
<i>Pinctada margaritifera</i>	166.67 mg
<i>Primula vulgaris</i>	166.67 mg

and other ingredients
